Coming Events

The Strathmore F.W.A., will hold a dinner and sale of home cooking in the B.C. Cafe on Saturday, May 17, 7-9.

Irricana News

Mrs. Angus Bates was released from the Hesse-gene Hospital on Saturday.

M. D. Howell has returned from a business trip to Seattle.

A youngster of mature years broke into and burglarized the butcher shop at Acme while the pleasure shop was in progress, and the butcher was enjoying the scene. The youthful Jenny-John was promptly apprehended by the above detective agency of Constable Naylor. He was arraigned before magistrates McNeil and Pryer, and bound over for twelve months. All the money stolen from the cash drawer was recovered, except the price of an entrance ticket to the show.

Mrs. A. P. Titt, who has been dangerously ill for the past two weeks, is progressing towards recovery. Dr. Margaret Wilson has charge of the case.

Mrs. H. Miller and Mrs. A. Archibald were city visitors during the week.

The very gratifying news of the completion of the season's municipal, via the office of the chief provincial engineer, that the road south and west of town will be put in shipshape order in the early future.

Wheat seedling not off to a good start, and in some cases wheat seedling is completed for the season. Farmers report the land in excellent condition. Billy Wise has seven hundred acres seeded, and still going strong. Wheat seedling operations should be accomplished in the district by May 10th, if the weather permits.

Mrs. W. Elliott shipped a car load of select hoes on Tuesday. Mr. Elliott succeeded in "topping" the market with his product.

Geordie Houden, of Kersey, who came of age on Thursday last, was exceptionally surprised by a large number of neighbors and friends at the home of his father on the evening of his 21st birthday. Geordie's natural quietude was refrained considerably as he viewed the host of friendly folks who flocked to bid him many happy returns. The evening terminated socially and entertainingly.

The rising generation will never forget you if you don't plant trees.

Rev. Mr. Smith occupied the pulpit at the Odd Fellows Annual Service in their hall on Sunday. A huge congregation was in evidence.

Mrs. Glendinning, Hudson Bay librarian, is visiting at the farm of Mr. Fred Davis, the guest of Miss Dorothy.

Scoutmen were noticeably predominant among the congregation on the Sabbath. There was no collection taken.

The McCulloch Garage have just unloaded a car of Ford Coupes. Most of the neat little autos have been disposed of in record order.

The measles epidemic which has prevailed throughout the district is almost conquered, and the schools are again open as usual.

The family of Mr. J. Forester have moved into the city to reside. Mr. Forester will remain for the present as mechanic at the McCulloch Garage, a position Mr. Forester has occupied for some years.

Mr. and Mrs. Fred Gibson, of Rockford, were visitors to Irricana on Sunday. Mr. Gibson is a pioneer of Irricana, and for several years successfully operated a garage and tire business in town.

Second Fortnightly Crop Report

Issued by the Department of Agriculture, Edmonton, Alta.

Advent of warm spring weather has hastened activity upon the land in Alberta, and operations are general. Seeding of wheat in the southern districts of the province is about 50 per cent. completed, with 60 and 70 per cent. done in some localities, while in the central and northern districts seeding is well under way. In a few places in southern Alberta the new wheat is reported already above ground. Some seeding of oats has also been done in the south.

Moisture conditions for the most part are favorable, but in south-eastern localities the soil is very dry and more moisture is needed for satisfactory germination. This condition does not exist, however, over a very widespread area. Slight rains have fallen during the past week in the Medicine Hat area, and heavier rains towards Lethbridge and along the foothills areas. No fresh precipitation in the central and northern areas has been recorded since last report.

Indications are that there will be a slightly increased acreage in wheat this season, most districts reporting to this effect, while one or two districts in the north report reduced areas. The fact that very little fall plowing was done last fall makes any large increase in wheat acreage impossible. Reports from southern districts indicate that there will be a large increase in acreage in fodder crops, particularly corn and sweet clover. Lethbridge district reporting a probable 100 per cent. increase in these crops this season.

Dates of Seeding
Dates on which seeding operations commenced this spring are reported as follows:

Medicine Hat, April 15; Brooks, April 15; Youngstown, April 27; Glendon, April 21; Lethbridge, April 15; Claresholm, April 15; Oids, April 28; Langdon, April 23; Edmonton, April 21; Vegreville, April 18; Ponoka, April 28; Grand Prairie and Pelly River, April 20.

Farm Labor
There is still a certain demand for farm labor, although not so great as at the time of the last report. The Provincial Labor Bureau has placed 1,500 men on the land this spring, an increase of more than 1,000 over the number placed last spring.

Gleichen Revises Land Assessment

A special meeting of the Gleichen Town Council was held in the Blackfoot Municipal office on Tuesday evening for the special purpose of hearing the Canadian Pacific Railway's appeal against the assessment of town lots.

It is the C.P.R. contention that there has been an enormous decrease in the values of real estate throughout the province and backed by a recent supreme court decision which states that all land must be assessed at its fair actual cash value, they insist that all town lots in town have only a value of \$50 each.

After hearing their claim and giving the matter careful consideration from every viewpoint, the council decided rather than fight the matter in the courts to grant the appeal.

It was pointed out that the revaluation of the C.P.R. lots would render the values of all other lots inequitable. If left at their present valuation and the secretary-treasurer was instructed to revise the whole assessment list accordingly. Gleichen "Cair"

Dalemead Doings

Edna Pederson returned home from the Holy Cross Hospital where she took treatment and operation for an abscess on her neck.

Nirre Macklin of Calgary, was a visitor at the Horstma house for a few days last week.

Mrs. Rudolph returned from Victoria, B. C., where she accompanied Victoria, who will go to school there.

Mrs. Myers, and children, from Langdon, are visiting at the home of Mrs. Myer's brother, C. Conner. The Myer's family are moving to Strathmore.

The Junior C.F.A. held their monthly meeting the 2nd of May. Mr. Lester gave a very interesting lecture on "First Aid. The program for Victoria Day was also discussed. A great number were present, visitors as well as juniors.

Mr. L. McKinnon, from Calgary, was a visitor at the Caldwell home this week.

Mrs. and Mrs. Pederson, Mr. and Mrs. M. Van der Velde, Mr. and Mrs. Deau, were Calgary visitors this week.

A large shipment of fruit trees, shrubbery, and other trees arrived in Dalemead this week, and a large number of farmers are now busy planting them. Hoping the shipment will be twice as large next year, as a good number of trees improve a home on hundred per cent. Wishing the district every success with this needed improvement.

M. Van der Velde was the first one in the district to complete seeding, having seeded 520 acres.

Mrs. and Mrs. Moore, from Northfork, were visitors at the Ayers home over Sunday.

Arbor Day Holiday

As will be seen from advertisement, Mayor B. H. proclaimed the afternoon of Wednesday, May 14, as a public Arbor Day holiday, for the purpose of planting trees and beautifying the town generally. Strathmore has made great progress in this direction during the past few years, and all citizens should loyally cooperate in the work.

Mr. James Saunders is in charge of this work, and will be glad to help any person of assistance.

All stores, etc., will be closed during the afternoon of Wednesday.

CAR BURNS

On Friday the Nash car owned by Mr. McNeil, manager of Strathmore telephone exchange, took fire, and in a short time was a total loss.

When the fire occurred Mr. McNeil was engaged in repairing some wires near the Ashby farm, south of Strathmore, and was about four poles away from the car. Smoke was soon coming from the car by Mr. John Heine, who was ploughing nearby, but by the time he and the owner could get to the car it was a mass of flames.

Fortunately the loss was covered by insurance to the extent of \$1150.

The adjuster for the company with which the insurance was placed was in town on Saturday, and made settlement for the full amount of the policy. The insurance was handled through Mr. L. B. O. Lodenell, and the settlement was certainly very prompt.

HUGE GAS FLOW

Late tests of the gas flow from the Rogers-Imperial well south of Lethbridge which blew in a week ago, show the flow to exceed 62,500 cubic feet per day. This is said to be one of the largest gas wells in the world.

Cheadle Notes

Mrs. R. H. Wade and Mrs. P. Schultz were visitors to Calgary on Saturday.

Dick Kays is home and busy around the farm after his long sojourn in Calgary, taking treatment for his shoulder.

The Ladies' Club had a big success on Thursday, May 1st, and took in three new members.

Mrs. O. Edwards, J. G. Miller and O. G. Craig were visitors to Calgary during the week on school business.

The U.F.A. held a meeting on Tuesday, the 6th. Regular meeting last Tuesday in each month.

A lot of our farmers are getting in shipments of trees and shrubs to plant around their homes. This looks as if they were going to stick around while and try to make this old prairie look like California or Bolivia.

The new road graders ordered by the Municipality for fixing up the roads, have arrived at the different points. The roads are sure to be in some spots right quick.

LAKE NAVIGATION OPENS

The opening of lake navigation which occurred a week earlier than usual this year, will see a general speeding up of business, said E. N. Todd, freight manager of the Canadian Pacific Railway, when spoken to this morning. Four of our steamers have cleared from Port McNicoll with west-bound cargoes and the fifth, the Magalloway, which is now in dry dock at Collingwood, will sail from Owen Sound on May 12th, east-bound. Our steamers will carry mostly flour from Ft. William to Port McNicoll, the five vessels making approximately six trips per week between those points, and in that period will transport an average of ten thousand tons of flour. These steamers are among the finest package freighters of the Great Lakes, and in addition to merchandise have passenger accommodation of the very best.

Standard News

We are sorry to report the severe illness of little Grace Keoma. She is in the Gleichen hospital suffering from typhoid pneumonia.

A number of Standard readers attended the minstrel show and dance in new Rosebud hall last Friday night.

Mrs. T. Neilson was a visitor to Calgary last week.

A number of Standard readers have got out our subscription "Blosser Daughters" for Standard. The pamphlets will be distributed throughout the country and will help to advertise this progressive community.

Mr. and Mrs. Walsh and family left Friday evening for Calgary.

The English speaking residents of Standard are again enjoying a Sunday church service. Mr. Penzel, a student missionary with constant services in the Standard school every Sunday evening at seven o'clock, it is to be hoped that everyone in the district will attend these services and make it possible to have service throughout the summer.

Mr. A. L. Williams is erecting an office between the Union Bank and the Standard Cafe. Contractor Svensen is overseeing the work.

Mr. Gus Anderson purchased a new Ford coupe last week.

Mr. Anders is breaking two hundred acres of the land just south of the C.P.R. tracks. Christensen Bros. recently purchased the land from Mr. H. H. Larsson.

Mrs. T. E. James and Mrs. W. J. Campbell are visiting in town for a few days, the guests of Mrs. Frank Kreen.

Mrs. H. Francis and son, Jimmy, of Chinook, are visiting with Mr. and Mrs. S. B. Francis.

Mr. Hans Jensen is improving his property by the addition of a fence around his lot.

Mr. Ron Elder is driving a new Franklin sedan.

Mr. Chris Sorenson has a subagency for Chevrolet cars.

The Banner Hotel was filled to overflowing on Thursday night, now that the roads and weather are better the commercial travellers are about in their cars again, and if in the vicinity of Standard at all they try to reach Mr. Webb's hotel for the night. The Banner Hotel has created a name for itself. It is one of a few small town hotels where you receive satisfaction plus.

Mr. W. R. Walrod shipped his household goods to Red Deer on Friday.

The Health Inspector paid a visit to Standard last week.

Mrs. A. M. Smith left for Calgary on Saturday where she will reside in the future.

Weather and Seeding

With dry weather during the past week, seeding has been in full swing, and most of the wheat is now in the ground. Much spring plowing is being done.

Conditions are very favorable for seeding the ground being moist and in shape for rapid germination when the weather warms up. The weather since Sunday has been somewhat cold, following warm weather in the latter half of last week.

Wouldn't It Be Easier to "Skin Up" That Tree?

Made for finest laundering, you can use this soap for everything

These snowy, crisply Palmolive PRINCESS SOAP FLAKES were made for laundering the sheerest, finest fabrics: silks, satins, chiffons, laces—lovely, expensive things.

For the foamy suds contains nothing that can possibly hurt the most fragile fabric, or dim the most delicate coloring. It actually lengthens the life of pretty, dainty things.

But—best of all—it can be used for laundering everything! Because it is economical. Being pure soap—nothing else—it actually goes farther. It saves all clothing. And it cleanses efficiently.

So it is ideal for the washing machine, or for any household purpose.

If only to try, get some today — from your dealer. He has them in handy, one-pound packages.

"Globe Circling" Aviators

Above are the U.S. officers at present engaged in an attempt to circumnavigate the globe by air. Major Martin, the commander, is at present reported missing, following an heroic

flight under bad weather conditions near the Alaskan coast. It is feared that he is lost.

In the photo, reading from left to right, are: Lieut. Eric Nelson;

Lieut. Leigh Wade; Lieut. LaClair Schantz; Major F. L. Martin, commanding flight officer; Lieut. Lowell Smith; and Lieut. Arnold.

Town of Strathmore CLEAN UP!

Property Owners and Occupiers are requested to at once have all refuse, etc., raked into heaps, burnable, non-burnable, and ashes to be in separate piles. Place in position convenient for removal by wagon. The Town of Strathmore has contracted with Mr. John Schaufel to remove this material, but all cleaning-up of yards, etc., has to be done by the owners and occupiers. The town will not remove manure. This will have to be done by property owners or occupiers.

The old nuisance ground is not to be used hereafter, and no person but the town contractor will have access to the new ground without special permission.

After this date it will not be allowable to deposit refuse on ground. Provide garbage containers of sanitary type. These will be emptied regularly by the town.

The Council, in the interests of public health and cleanliness, look for the co-operation of the townspeople in this matter, and all not complying will be liable to prosecution. By order.

F. R. LILLY, Sec. Treas.

April 16, 1924.

Social-Personal

Mr. Steve Korek was taken to Calgary hospital on Thursday by Dr. A. W. Givins, and was operated on for appendicitis the same evening. He is doing as well as can be expected.

We regret to chronicle the death in Calgary on Thursday, of Bright's disease, of May 7, the nineteen-year-old son of Mr. J. McKechnie, owner of the Strathmore Pharmacy. The deceased had had been ill for the past sixteen months, and while his death was not unexpected, it is nevertheless a blow to his parents and relatives. The funeral took place on Saturday.

Mr. and Mrs. A. B. Foote are rejoicing in the birth of a daughter on Thursday.

Parents and pupils of Akenstad school held a planting bee last week, and planted a large number of trees around the school. Their example could be profitably followed by other schools in the district.

Mr. and Mrs. S. Hilday have returned from Portland, Oregon, where they have been spending the last two weeks.

Miss Draper, of Vancouver, is visiting Mrs. Kuyvet for a few months.

The Cinderella Dance held in the Dining Room of the Memorial Hall on Wednesday last was a decided success. The hall was prettily decorated and in addition to the general party, each girl and boy wore a hand-drawn paper cap, made by the members of the club. Mrs. Hilday, officiated at the music, assisted by Mr. J. Gannon with his saxophone, while Mr. Tommy Miletson, again made an excellent floor manager.

These dances for the young people are becoming more and more popular, and the three raising cheers alive for the Wauwatin Club at 12 o'clock were evidence of the appreciation felt towards the Wauwatin Club for its latest effort.

The club will meet at the home of Mrs. F. Craddock on Wednesday, May 14th. A short address will be given on "The Relation of Mind and Body." Each member is requested to bring a camp song.

Mr. S. Richardson is very sick at her home, and her daughter Mary was operated on in a Calgary Hospital on May 2nd.

Namaka Notes

On Sunday next, May 11th, a special service will be held, the occasion being Mother's Day. It is hoped a good attendance will be present.

A car of work horses was sold and shipped east by the Namaka Farm on Monday last.

A car of cattle contributed by several farmers in the district was shipped on Thursday last, consigned to the U.O.G., Calgary.

The programme and play put on here by the Strathmore C.G.I.T. on Friday last, under the direction of Mrs. Rowe and Mrs. Wooster, was a decided success. Much credit is due both the girls and directors for the able way the evening's entertainment was conducted. The perfect pose, the clear speaking, the control exercised by each, and every participant was a revelation to many, and plainly demonstrates what can be accomplished with the younger branch under careful leadership. A short programme previous to the evening's main attraction was handled in pleasing style by the girls, with Mildred Marcus in the chair. The first item was a piano-forte solo, very nicely rendered by Florence Garrett, who is quite a talented performer. The next, a reading by Esther Stockton, was received with much applause; then followed two vocal selections by Esther Zerkie, who is the possessor of an admirably sweet, clear voice. This was followed by a short address by the Rev. Rowe, on the object and work of the C.G.I.T., after which followed the chief attraction, "The Touch." The performance closed with the singing of the National Anthem, after which a light lunch was served the girls and their drivers, before leaving for Strathmore.

The U.F.W.A. meeting, held at Mrs. Sims on Saturday last, was well attended; there being twenty-three present, including visitors from Strathmore and Cardston towns.

Local Notings

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 44.

Strathmore Masonic Lodge had the honour of a visit on Monday evening from Mr. W. H. G. Murray, of Medicine Hat, Grand Master of the Grand Lodge of Alberta. Two candidates were passed, and during the harmony period following the service of the Lodge, the Grand Master complimented the Lodge on their manner of putting on the work, and on the progress they were making as a Lodge.

Work is progressing on the Strathmore Golf Course. Several of the greens have been sliced and scraped, and will afterwards be sowed and rolled. A tentative eighteen-hole course has been laid out, and the nine holes in use at present will be used as basis for the additional nine.

Don't forget that this is the time for cleaning up throughout the town. Good progress is being made, and the householders willingly according to the town's efforts.

Work is adding along with the planting of additional trees in the Memorial Hall grounds.

Councillor John Taylor started moving a building from the west-end of town to his lots on Railway Avenue on Saturday, using two tractors. The building had a temporary resting place over the weekend on Second Avenue, having dug itself into the road, where it remained despite the efforts of the tractor, and incantations in the language of the brother hille. It was a moving spectacle.

Loose's young drama suffered a slight hitch on Monday, when a young couple who lately arrived from Holland, went before Father Duggan to be wed. The Father informed them that they had to have a license first, and accordingly they sought our newly appointed issuer of marriage licenses.

However, Tom had not received his supply of the necessary forms, and told the young couple he expected them in any day. Surely, our local barometer, though yet a bachelor, knows enough about the "grand passion" to know that love brooks no delay. Fie! Fie! After this Tom will see that there is always a supply of the necessary forms on hand. He might need one himself in a hurry some day.

SYNOPSIS OF LEGISLATION

The annual Synopsis of Legislation passed at the yearly session of the Legislature has just been completed by J. D. Hunt, and is now available in pamphlet form.

ANOTHER CARBON BLACK PLANT

A plant for the production of carbon black will be established in the new fields of the Many Island district near Medicine Hat. The first plant to be established is to be at Peace River.

FAITH IN COUNTRY

Hon. A. J. McLean, former member of the Alberta Government, and an old-time rancher, has just leased a township of land in the Peigan Indian Reserve in the south of the province, and will establish a stock ranch there.

Members of Strathmore Presbyterian Church, which has been inoperative for some years past, will meet on Thursday evening to decide what disposition is to be made of the church property.

Mr. E. M. Sty, formerly of Strathmore, has been appointed one of the liquor vendors for Calgary. Mr. Sty has occupied a similar post under the old act for a year past. The vendor for East Calgary is Mr. R. P. McCall, formerly a flying officer. The vendors' stores are expected to be in operation sometime this month.

The liquor vendor's store at Red Deer is to be situated next to the office of one of the local newspapers. No special significance can be attached to this, for, incredible as it might seem, the Red Deer editors are both restaurateurs. In fact, there are some times referred to as the exceptions which prove the rule.

A wire was received Monday by Mrs. G. H. Patrick stating that Strathmore had been appointed as a local centre for the Canadian Academy of Music. Music pupils in the district will now be able to take their exams here. Fuller particulars will be given in next issue. This is a gratifying testimony to the regard in which Strathmore is held in musical circles.

It was on May 2nd, 1919, that the big blizzard set in that lasted three days, and resulted in a winter snow fall than had been experienced for many years in this part of Alberta. Many cattle were killed.

Carsland Center-shots

Born to Mr. and Mrs. A. Ostrop on Wednesday, April 23rd, a son, Andy, has a smile these days that don't count.

The U.F.A. had a rat of pests in last week. Mr. Archibald has kindly consented to look after the amateur.

The sale of home cooking, candy and ice cream, held by the U.F.A. girls, was very much of a success, and netted the girls about forty dollars.

The U.F.A. had a rat of pests in last week. Several farmers are building pole corrals; also those who ordered sweet clover seed, and other grain through the U.F.A. stock delivery of same last week.

Bill Brown caught perfectly naïve and safe, he left very much at home behind the counter last Saturday night.

The floors of the school rooms were oiled during the vacation, which very much improved the appearance. A sanitary drinking fountain will be installed within a few days, also sanitary wash basins will be supplied in the near future.

The Board of Revision held a session last Saturday, and heard several requests for revision of land valuation, and one case of assessment being made on the wrong party. The cases will no doubt be settled without difficulty.

The High School girls want to start a basketball team or tennis club, but they haven't any money to set the supplies. If some kind-hearted individual will supply the funds the girls will appreciate it very much.

The U.F.A. and Wheat Pool radio programme put on every Sunday from two to twelve o'clock should be an incentive for every farmer to own a receiving set. Even a crystal set receives some very excellent programmes.

Mr. and Mrs. R. A. Bidson and family had dinner with Howard Baker and family last Sunday.

Mr. Drake was taken acutely ill last week, and was hurried to the hospital at Calgary, where he underwent a serious operation. He is doing very well at last report. Friends of Mr. Drake wish him a speedy recovery.

Most of the wheat is seeded around Carsland, and many farmers have quite an acreage of oats in.

Mr. H. C. Gardner reports wheat up an inch or two.

The P. B. Club met at Mrs. Bergquist's home Thursday. A large crowd was in attendance, and considerable business was done. The clubs annual picnic usually held on the 24th will be held this year on June 3rd. Remember the date and keep it open for this event.

The Red Cross Home Nursing Class was organized last week, there being forty-three already enrolled, making it necessary to have two classes, one will meet on Saturday evenings and one on Wednesday afternoons. Gertrude Thuermer has kindly consented to take charge of the night class. No one, as yet, has been accepted to instruct the afternoon class.

CREAM GRADERS AT WORK

Following special short courses at the University under the direction of Dairy Commissioner Macfar, official cream graders have been sent out to creameries in the province, in connection with the official grading of cream.

Baintree Sidelights

Mr. F. G. Buchanan, inspector of schools, was in our district last week, and left a highly satisfactory report.

"Who would have the plaudits of a crowd?" So said the Duke of Wellington when he was mobbed in the streets of London a few years after the battle of Waterloo. The immediate cause was said to be due to political feeling, but underneath it lay the fact that the Duke had often depreciated the men who had covered his name with unimpeachable glory. Muffling, the Prussian, and Alva, the Spaniard, who were present on the field of battle, have recorded in no unceremonious manner their impressions of the British soldier. The little corporal has paid the men of the Isles compliments that he never gave to the soldiers of another nation, and he of all men should know. While the Duke was comparing the men of Waterloo with the warriors of the Peninsula, what did the dead Highlanders of the left wing think? Assaulted on front, flank, and rear by cavalry, artillery, and infantry, they fought with the stubborn valor that has never been excelled in the annals of war. What about the brigades of Kemp and Pack, who repeatedly threw back in disorder the veterans who had never tasted defeat. What about the handful of Guards under McDermott who defended the chaotic of Rougemont against the combined assaults of Foy, Jerome, and Belle. In belittling the men who won the most bloody battle in the history of the world, Wellington tarnished his own fame, and the people of Britain never forgot it. That brings us to the point we wish to speak of. Some years ago we listened to a man extolling the achievements of the Canadian soldiers. A little while ago he was sitting at a table in an unassuming way the character of a returned man. He is going to repeat himself: "Are we going to forget the men who fought as gallantly in the blood-soaked trenches of Belgium and France? When we meet any of those lads down on their luck, let us think of the heroes that passed before them. Let us think once more on all that they accomplished for us, and let us each, in our own little way, remember the teachings of the great master who said: 'verily I say unto thee, inasmuch as thou has done it unto the least of these, my brethren, thou has done it unto me.'"

The remedy for bad times is to be patient with them. —Old Proverbs

For the time being we have ceased to repeat visitors to Calgary. One gentleman threatened us with a stretch at Lethbridge for another offense of the same kind, and we are human enough to prefer walking over to breaking stones and cutting logs with a buckaw.

Drumheller has challenged the "Bears" to a game of ball. Watch the boys from the coal town go home quietly.

This is to acknowledge a letter sent by an Irish settler living in the Rosebud district. Thanks, Patsy, when we have the Irish side as we don't care who's again us. That will tell to the whole world and Ireland as well. No, friend, we never kissed the blarney stone, but we've seen it. The cause we are partly Scotch we were afraid to lose over the ledge but our small change should fall out of our pockets. A nice blarneyed old Irish lady may tell us that if we smile like an Irish collier we'll get the same results. Well, our own best girl is a regular Kathleen Macnamara, so we have a real speaking experience with the charm that makes Irish hearts good and true. Yes, more power to the

We had the privilege of meeting the chairman H. W. a year ago, and the impression made on us at that time still remains. We have a wholesome respect for the abundant ability of Mr. Woods. We admire his honesty and sincerity of purpose. We like his personality, his devotion to the cause, and also the fighting qualities which he possesses in an equal degree. No, dear friends, you haven't guessed right this time. We are not connected with the U.P.A. or the wheat pool, but that doesn't prevent us from paying a modest tribute to one, who, on paper, deserves a great deal more. While we are turning up lead pencils, we might as well inform some people that we are not hostile to either organization, and never will be. Don't believe us, eh? All right, so, and plant some seeds then. It's time for them anyway.

Where is that eminent poet who says: "I Ain't a Goin' to Rain No More"? Maybe he has gone to see rainmaker Hatfield.

shamrock, me bye, and the little Black thorne too.

A joint meeting of the U.P.A. and U.P.W.A. was held in the school house on Saturday night. On account of sickness in the neighborhood, and farmers busy seeding, there was only a fair attendance. H. G. Troth was appointed a delegate to confer with the baseball club officials as to the feasibility of holding a sports day at Baintree this summer. A discussion took place regarding blarney twice for the coming crop, but no decision was reached.

"With malice towards none, with charity for all, with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in."—Lincoln.

We are glad to report that our old school mate, Mr. Bingo Rish, is feeling better, and has resumed his duties as fence buster for the New York Kill Tim Quicks.

When in doubt, start an argument. By doing so you will add to the knowledge of your opponent, and, unless you are one of those rare birds who know everything, you will also acquire a little benefit yourself.

Just a moment please! When you think well of a friend show it while he is alive. Flowers are pretty and very appropriate, but presume they don't believe that dead men care much about them.

We noticed, in a recent press report that H. W. Wood had denied the statement attributed to him that members of the pool would receive five cents a bushel more than non-members. What about it? Nothing, except the man who was responsible for the fallacy should have his tobacco cut for a month. Was it true to destroy the faith and hope that so many people have in the chief executive of the U.P.A. and Wheat Pool? Most likely, but it cannot serve the purpose, no matter how well it is planned, if it will always collapse when confronted with the truth.

Prizes for Destruction of Pests

In an effort to encourage the destruction of agricultural pests, namely, grasshoppers, crows and magpies, the Department of Agriculture at Edmonton has inaugurated a system of prizes. Cash prizes ranging from \$1 to \$200 will be paid by the department on crows, grasshoppers, and magpies, taken in 1924 on or before September 1st. Points will be awarded as follows: One point for each grasshopper, two points for each crow's foot, two points for each magpie's foot, two points for each crow's or magpie's egg.

The following are the competitors: 1. \$200 to the game protection association, league or gun club in Calgary or Edmonton obtaining the greatest number of points. Over 10,000 points must be earned to qualify.

2. \$200 for the first and \$100 for the second prize to the game protection league or the gun club in places other than Calgary or Edmonton. Over 5,000 points must be earned to qualify.

3. A total of 255 prizes, from \$1 to \$75, for the residents of Alberta securing the greatest number of points. Points earned by individuals in competition. One and two will be allowed. Two hundred points must be earned to qualify.

4. The five village or rural schools earning the greatest number of points in the city of Edmonton. Points earned by the school may be awarded five prizes ranging from \$10 to \$75. Over 2,500 points must be earned to qualify.

5. All persons attending a separate, public or high school may compete in this. A total of 335 cash prizes ranging from \$1 to \$75 will be paid in their order to those obtaining the highest number of points. Points earned by any individual in competition four will be allowed. Two hundred points must be earned to qualify.

For information on these contests may be had from Game Commissioner Lawton, Government Buildings, Edmonton.

ARBOR DAY HOLIDAY I hereby proclaim Wednesday, May 14th, as Arbor Day holiday for the Town of Strathmore, and ask all stores and places of business to close from 1 p.m. that day, and assist in planting trees in the town.

The co-operation of all citizens is asked in observing this holiday.

H. W. B. BELL, Mayor

SAVE YOUR SOLE Tie the soles of the people we keep in view For we are the doctors of toes and shoes.

We save the living but not the dead With best of leather, wax and thread. We can sew on a sole or nail it fast; To a good job and make it last. There's nothing but comfort that we do.

Don't let our statement our work prove it true. We can give you a lift in this changeable life And not only you but your children and wife.

A good many patients have come to our door. We can save you down and feeling sore. We neither peddle one plaster nor pill. We can cure all sick soles on matter how long.

"The Star" baseball pitcher predicted great things for this young pitching star this season. He is Wayland Dean, a 23-year-old right-hand flinger whom the New York Giants recently purchased for a price reported at \$50,000 or its equivalent in players and money. The youngster is at present preparing for his southern training trip with Morgan's outfit.

Dean has had a meteoric rise in the baseball world. Just two years ago he came into the limelight and last season was the second most effective hurler in the American Association, winning twenty-one games and being voted as a member of the Louisville club.

"Just watch his smoke this season on the big time"—say the prophets.

The Wheat Pool A New Advertising Tariff

The wheat pool drive initiated a month ago, is meeting with success. Over 25,000 farmers of the Province now being members of the Pool.

The Pool idea is a good one. It is in accordance with sound business methods, and is correct in principle. But no matter how correct the principle, the pool will not succeed unless it is properly managed. It is not a matter of securing a larger profit per bushel of wheat unless the members have an interest in it after once having signed their signatures to the contract.

Therefore every pool member should take an interest in the forthcoming vote for trustees of the pool. If you have any points to bring up, take time to bring them up.

Above all, you have got to look on the pool as a business proposition, not a political or sentimental one. Your prosperity or otherwise is bound up with the success of the pool in obtaining for you a reasonable profit over cost of production.

We hope the pool members will not treat the election of their pool trustees on the same lines they do an election of members of parliament or municipal councils. It is a matter of grain buying and selling, and common sense demands that you elect as your representatives men whom you know are good farmers and good business men. If you do not, the pool will not be a success, and no one will be to blame but yourself.

All Alberta wants to see the pool successful, for if no other than the sound reason that success for the pool means better business for all who live in the Province. The success or failure, however, largely depends on the 25,000 men who form the shareholders.

The Home Bank went to smash largely through shareholders' apathy. Other concerns have failed for a similar reason. Therefore put your thinking cap on when voting for your trustees, and above all—VOTE.

Here and There

Commenting April 15th, the Canadian Pacific Railway, having in mind the expressed wish of the majority of its patrons, has decided to revert to the custom of permitting no smoking in observation cars of its transcontinental trains.

The production of steel ingots and castings in Canada during the month of February amounted to 70,000 tons, an advance of 72 per cent over the 41,000 tons produced in January. The increase was caused wholly by the quantity of open-hearth basic steel ingots made for the use of producers.

Canadian farm products exported to the United States during January, February and March, 1924, amounted to \$2,100,000, an increase of \$2,100,000 over February last year, according to a report published by the Bureau of Statistics. United exports to the United States were valued at \$1,100,000 in February, against \$2,100,000 in February of the previous year.

Under the agreement with the Imperial Government under the Emigration Settlement Act, Canada, spent \$20,000 in assisted passages for some 2,000 British immigrants in the final year just closed. In the past four years the Dominion Government has spent nearly \$1,000,000 in promoting immigration from Great Britain to Canada.

By arrangement made by Hon. George Handley, Minister of Agriculture, a trial shipment of cows and steers will be made in the near future to Japan for the purpose of testing out the possibilities of a market for Alberta's livestock in that country. It is also the purpose of the department to send with the shipment a qualified investigator who will look into the possibilities of a market for all other farm products.

For the first time in the past two or three years the Saskatchewan Co-operative Creameries Limited is shipping butter in carloads direct to the cities of the United States. A carload shipment was recently made from Saskatoon to Philadelphia. Two carloads were also shipped to Chicago, where they realized good prices. Each carload contained between 25,000 and 30,000 pounds of Saskatchewan butter.

Here you will find a schedule of prices from which no deviation will be made, but we hope to donate a certain percentage of our earnings toward founding an asylum for those unfortunate people who believe an editor has a soft soap.

For telling readers a man is a successful citizen when everybody knows he is as lazy as a beach warmer, \$2.75.

For referring to some gallivanting fellow as one who will be rewarded by the entire community when he will only be misled by the boozers, \$10.15.

"Referring to one as a hero and a man of courage and one who will stand by his convictions when everybody knows he is a moral coward and would sell out for a dime, \$4.15.

Referring to some measly female as an estimable lady when it is a pleasure to meet and know when every man in town would rather see Bismarck coming, \$3.10.

Calling an ordinary preacher an eminent divine, \$4 cents.

Leaving the daylight out of John Barleycorn at the behest of the local drys, \$4.77.

Whooping "on up for the repeal of the Volstead law in the interests of the local White Male Funnal Club, \$6.77.

Referring to a deceased merchant who never advertised and who was too stinky to contribute toward needed public improvements as a leading citizen and a progressive reformer, \$241.59.

—"The Expositor," Blaineburg, In.

CAN HARDY REALIZE HOW MUCH BETTER SHE FEELS

Mrs. Sattil's System Quickly Responds To Corrective Treatment of Stomach, and She Feels Better Than for Years.

"I really cannot express how much better I am feeling since taking Dr. Drees' is the enthusiastic words of Mrs. E. Sattil, of 10119, 10th Avenue, Edmonton, Alta.

"For two years past I have suffered from weak kidneys, a sluggish liver and chronic constipation. I had terrible pain in my back and my limbs ached day and night so that it was difficult for me to go up and down stairs. I was nervous and my sleep was badly broken.

"Drees, however, is rapidly overcoming these troubles and I feel like a new woman already. The pains in my back and limbs have been greatly relieved, my bowels are regular and my appetite fine.

"I have taken many other remedies without result and am all the more glad therefore to endorse Drees."

Many a man and woman is suffering needlessly from the very ailments that Drees is especially prepared to relieve. Take Drees and let it restore your stomach, liver, bowels and kidneys to normal health and activity. This safe, reliable tonic is purely herbal and contains no mercury, potash or habit-forming drugs.

Drees is being specially introduced in Strathmore by the Strathmore Pharmacy, and is sold by a good druggist everywhere.

Tariff Changes

Canadian manufacturers are worrying about the tariff. They are afraid that the system whereby they get a bonus on every manufactured article produced in Canada, with some notable exceptions, is going into the discard.

Protection to justify its existence has got to show results. If it can't Canada's protective system has not shown results. While taking toll from every farmer in the Dominion, for the

MUNICIPALITY WINS

M. D. Grasswood is anxious to give the Rosebud people one of the finest and most complete musical treats which has ever been given in Rosebud or near it. The recital will be followed by a dance, with Mrs. Meyers orchestra in attendance, and the ladies of the Altar Society, of Rosebud, will furnish lunch. The prices for this concert and dance are exceptionally reasonable, and it should be well patronized. The admittance to the recital is 75c each, and 50c a plate for supper, dance included.

The president of the U.F.W.A., Mrs. Vigar, has called a meeting for next Saturday evening, and is anxious for a full attendance, as there is considerable business to be attended to. It is hoped that the members will make it a point to be at the meeting, which will be held in the United Church.

Rosebud and the surrounding district were treated to one of the most unique entertainments which have ever been held here, when the boys of the Trail Rangers, fourteen strong, gave a colored minstrel show in the hall on Friday evening last, May 2nd.

The boys did exceptionally well, the jokes and stunts being clever and very amusing, and great credit is due to Mr. Fred Johnson and Mr. Duto for the success of the affair, as these men worked untiringly to give the people something good in the line of entertainment, and at the same time help the Trail Rangers to get a fund on hand with which to continue their training on a larger scale. The receipts from the show and the dance which followed, were very encouraging, about \$125.00 being realized.

Some of the aftermaths of the dance last Friday night were very amusing, and it fell to the lot of one of the boys to be called out of bed about 2:30 Saturday morning to get gas for an unfortunate fellow who was trying to drive some of the boys home.

It is rumored that two carnival spirits were driving recklessly home in a flivver at an early hour, when one of them exclaimed to the other: "Watch out there, you'll have us in the ditch!" Said the other: "Gad, I thought you were driving."

Don't forget the dance on May 9th under the auspices of the Hockey Club. Mr. W. F. Mercer, of the bank staff, has returned from a two week's holiday.

The golfers have been out smiting the elusive pill over the prairie. They are still on the lookout for an ideal location for the new course. Keeping in line with the times, the Rockyford Drug are handling a line of soft supplies. These are really better and finer than the kind that comes in bottles.

The tennis club are this spring making extensive improvements on the grounds. The grounds are being enlarged both to the north and east, giving much more space behind the tapes. The earth is being moved by Messrs. Pullerton and Glickman, and the grounds will be ready for play in about a week's time.

Constance Carr, of Carbon, brought several alleged offenders before Justice of the Peace Leonard, at Tudor, on charges of having set stubble fires without first making proper arrangements, and for letting the fires get away from them.

Quite a number of Rockyfordites attended the dance at Rosebud last Friday.

St. Rita's Choir moved to Carbon last Wednesday, where they put on a fine concert for the benefit of the Carbon community, which the Carbon people much enjoyed.

The Misses Griffith spent the weekend in Drumheller.

Miss Pauline Griffith severely burned her hands on Monday evening while attempting to light a gas lamp.

Rosebud Notes

Mrs. Stella Higgins, who has been quite ill, is reported as improving.

A meeting of the Ladies Aid of Rosebud United Church has been called for Saturday afternoon next, May 10th. All the members are requested to be present.

It has been announced that there will be a dance in the new Brunner Hall, at Rosebud, on Saturday evening next, May 10th, from 9 p.m. until 12 p.m. Whether or not these little Saturday night dances will be continued during the summer season has not yet been definitely decided.

Several of the farmers of Grasswood have been very industrious, planting trees around the Grasswood school.

Music lovers of this district will be delighted to hear that Father Boileau expects to put on his full recital in the hall at Rosebud on June 2nd. This will be a splendid opportunity to hear

The Strathmore Creed

I BELIEVE in Strathmore and its possibilities; and I shall do my part to make it a better place in which to live.

I BELIEVE in good government for Strathmore, and I shall assume my share of the civic responsibility that rests on the shoulders of all our citizens.

I BELIEVE in supporting local enterprises that make for community development, and shall contribute my moral support and energy to any worthy cause championed by them.

BELIEVE in patronizing home merchants, for they are greatly responsible for our having good schools and churches, better roads and promotion of the general welfare of this community.

I BELIEVE in making Strathmore clean and attractive, for a healthy atmosphere is an inducement to honest and right-thinking citizens.

BELEVE in boosting my home town and district at every possible opportunity; that thinking, talking and acting progress is the quickest and surest way to bring permanent prosperity to Strathmore --- the best town in Canada --- because it is MY HOME!

This is Our Creed. Make it YOURS!

ICE MOVES FROM RIVER
Movement of ice down the Saskatchewan River commenced this year on Saturday, April 26, according to records kept at Edmonton.

Slats' Diary

Friday—well I have about decided that Mrs. Fuller is the strongest talker in this town. She has been to the house this evening and I never heard a young being with out to be heard at the talking game. I saw her on her way to her No. 10 site to see after she had went to see her bet a dollar. She said she had a voice give a way so he took up the voice and she never hears her husband's voice is when she has her stop and catch her breath. Pa says that with the rite kind of vocal lessons even such a grate handicap mite possible to overcome.

Saturday—Ma was asking a neighbor lady what had been of her boy, and she said he had a arrangement with the State for steady employment for ten years, to cum. Pa new the inside of the story and told us that the boy was educated for a lawyer, his voice give a way so he took up the pocketing and was very successful and only he learned once. That was the reason he was hush Nodding with the state officials at the present time.

Sunday—Ant Emmy still continues to get sun funny hours on what was meant. Just today, she told me Pioneer was a man who plays the piano with his ear. Pa had to explain to her that he was a man who could find his way in his bar and eat.

Monday—Rained all day. I saw the weather altered pa and he was not feeling very good today. After he had went to bed, I led to me that pa acted alone. Unusual noise and noise replied and said. Yesterday he usually does most of the time.

Tuesday—The preacher was on his pioneering notes and a trying to get going to one to church more regular. He wanted on his bar pa was hard to convince. He told the preacher that Sunday was the only day in the week when he had time to go on his business. How ever he promised that he would go from now on regular.

Wednesday—Ant Emmy was a full tired tonight. She spent most of the day hunting three books to find what kind of words does Olive oil cum out of. She has a paper to read in front of the Club.

Thursday—Ma and pa including me are going to a party tonight and pa and me has been wandering all day weather they will have lettuce and wiches or just food.
